# Colors

So you want to learn a little about colors.  
Come on let's start  
We have colors everywhere...  
We have colors in your hair  
We have colors bright and bold  
We have colors for the young and old.

Colors make the world a happy place  
Colors put a smile upon your face!

Purple, orange, turquoise and blue  
Every color here for you  
Red, yellow and also green  
We have all the colors you've ever seen.

So choose a color that's right for you  
Try it on and make it new  
You'll love colors just like me.  
So many colors for us to see.

Colors....colors...

# Everybody's Going To The Zoo

Everybody's going to the Zoo  
It's fun for us and Ziggy too!  
Zoo zoo zoo zoo,  
We're all going to the zoo.

We'll see the monkeys and the bears  
The lion will roar but we're not scared  
Zoo, zoo, zoo, zoo,  
We're all going to the zoo.

See the giraffe with his real long neck  
And the hippo swim in water  
The elephant and her baby too  
I think that that's her daughter!

Everybody's going to the zoo  
It's fun for us and Ziggy too!  
Zoo, zoo, zoo, zoo,  
We're all going to the zoo.

# How Do You Know What Time It Is?

How do you know what time it is?  
How do you know what time it is?

When the little hand is on 1,  
And the big hand is on 12, It's 1 o'clock.

How do you know what time it is?  
How do you know what time it is?

When the little hand is on 2,  
And the big hand is on 12, It's 2 o'clock.

How do you know what time it is?  
How do you know what time it is?

12

When the little hand is on 3,  
And the big hand is on 12,  
It's 3 o'clock.

Every time the little hand changes numbers  
You can see the hour going by...

It's 4 o'clock, it's 5 o'clock, it's 6 o'clock,  
it's 7 o'clock, it's 8 o'clock, it's 9 o'clock,  
it's 10 o'clock, it's 11 o'clock,

How do you know what time it is?  
How do you know what time it is?

When the little hand is on 12,  
And the big hand is on 12,  
It's 12 o'clock.

# Let's Go To The Park

Hey let's go to the park  
We'll have a really great day  
There's so much to do  
To skip and jump  
To see all your friends  
And to play

Hey let's go to the park  
On a day when there's lots of sun  
We'll play hide and seek  
And kick a ball  
Doesn't that sound like it's fun?

When I'm at the park  
I always smile  
I have my friends with me.  
When I'm at the park  
I always laugh  
Because it's the best place to be...

Hey let's go to the park  
We'll have a really great day  
There's so much to do  
To skip and jump  
To see all your friends  
And to play

# When I Grow Up

When I grow up  
When I grow up  
There are so many things I could be  
A doctor or an astronaut  
Now that's something I'd like to see

When I grow up  
When I grow up  
There are so many things I could be.  
A musician or an actor  
Hey look at that movie, it's me!!!

When I grow up  
When I grow up  
There are so many things I could do  
A teacher or a fireman  
I could be all those things too

When I grow up  
When I grow up  
There are so many things I could do  
A scientist or a zookeeper  
You can do all those things too

All of these jobs I can do when I'm grown  
But now we are kids, and we must find  
Ziggy's home

When I grow up, when I grow up....

# I Love To Play

I love to play  
I do it every day  
Then I can be what I want to be  
I love to play

When I play I feel happy  
When I play I feel good  
When I play I can jump and sing  
And run around in circles  
and do 'most anything.

I love to play  
I do it every day

Then I can be what I want to be  
I love to play

When I play I feel funny  
When I play I like to laugh  
When I play I can be silly all the while  
And all the time walk around with a  
great big smile

I love to play  
I do it every day  
Then I can be what I want to be  
I love to play
