

# An Adventure at Sea

# Activities

1. This is called a jellyfish because it looks like a jelly. Which one of the things shown here is a jelly? Tick the correct box.

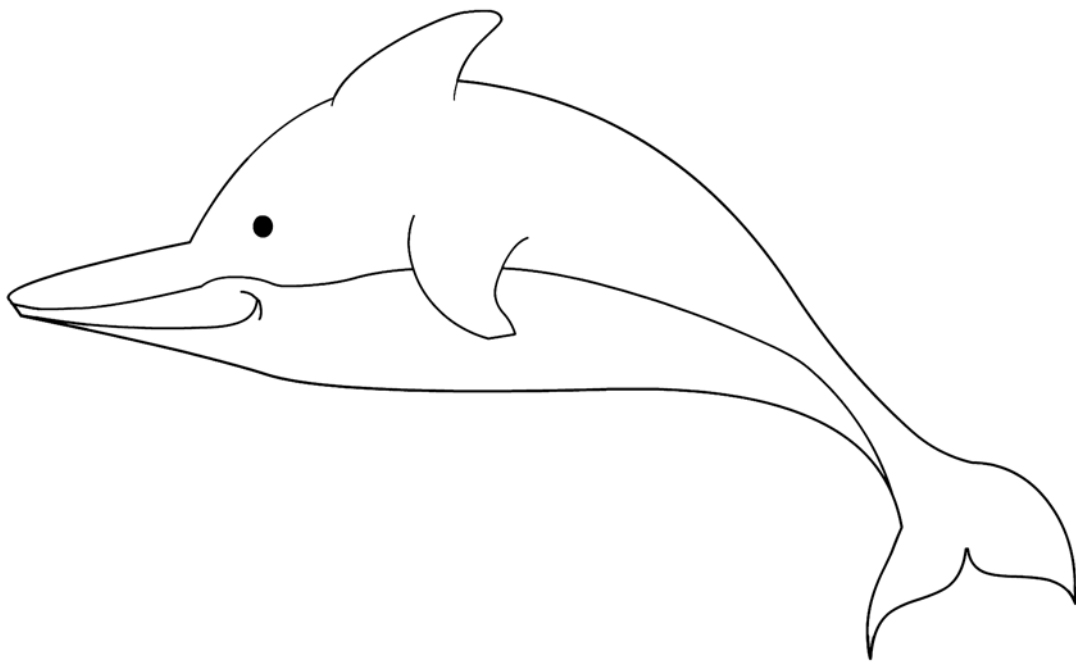

JELLYFISH

☐☐☐☐

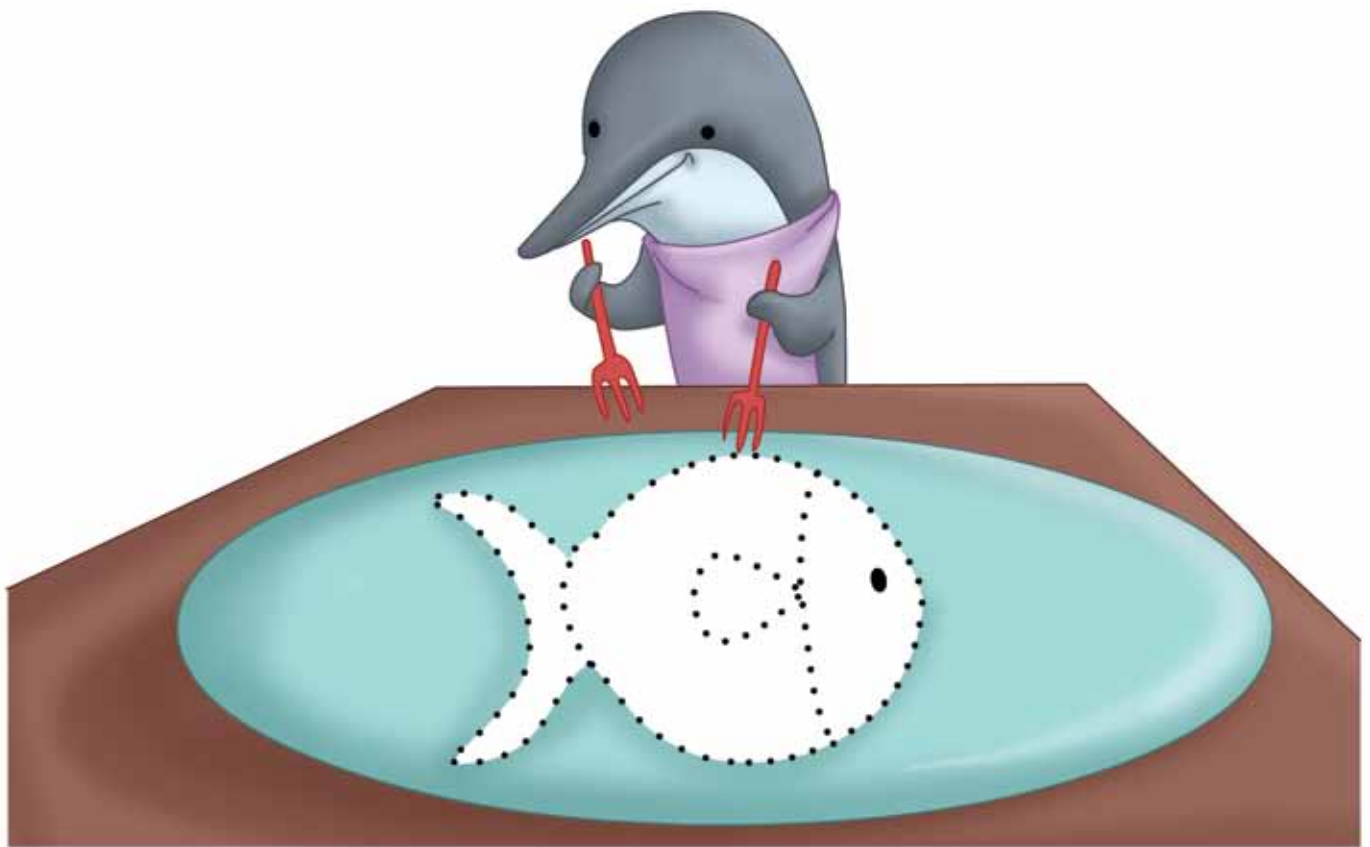

2. Wiz counted the octopus's arms. He told Lucy how many there were. Do you remember how many? If yes, write the answer in the box. If not, count this octopus's arms and then write the answer.

☐

3. Color the picture of the dolphin using your crayons.

4. Connect the dots to see what this dolphin is eating.
