

The Talented Elephant

Activities

1. What's the name of this yummy sweet? Write the first letter of each object below and then put all the letters together to find out the name.

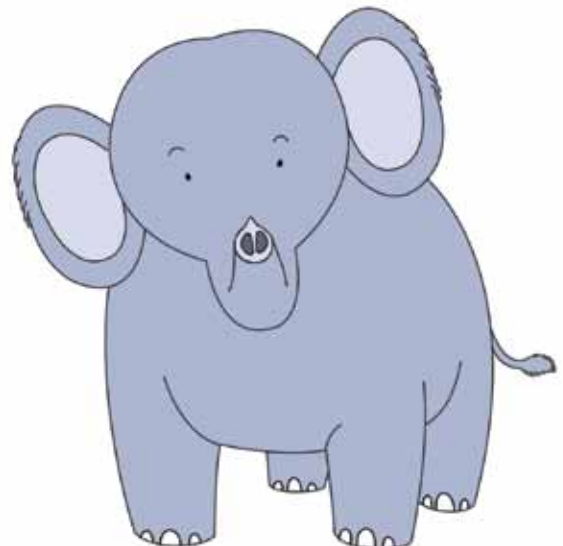

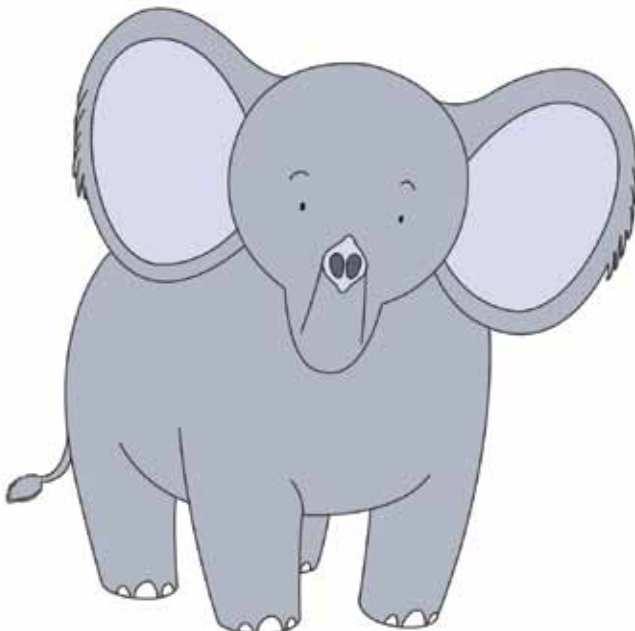

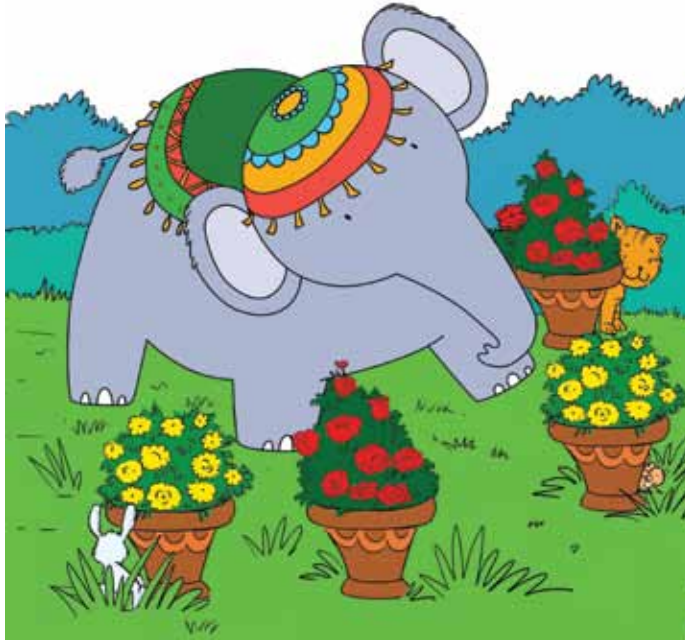

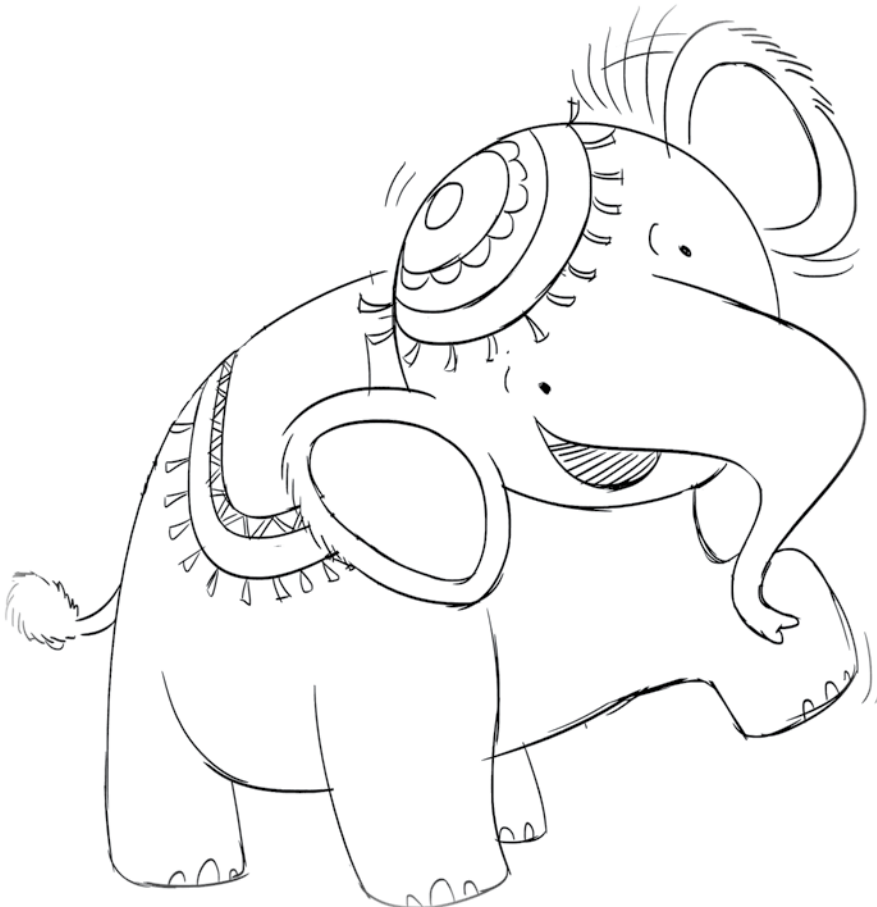

2. There are some differences between the African elephant and the Asian elephant. Can you tell what they are?

3. Gajoo is looking for the rabbit, the tiger and the squirrel. They are hiding somewhere in this picture. Can you help him find them?

4. Color this picture of Gajoo.

Solutions

1

L (ladder) A (Apple) D (Duck) O (Orange) O (Owl)

LADOO

2

The African elephant's ears are larger. Its trunk has two "fingers". It is taller and heavier than the Asian elephant. The African elephant also has a head that looks like a single dome. The Asian elephant's head is twin-domed.
